ARTS & LETTERS / RUMI PRIZE FOR POETRY

BINGE-WORTHY

Because You Watched Last Night's Sunset, You Might Enjoy:

Streetlights in a snowstorm.
A barrel of burning leaves.
Desert lightning splitting a giant cactus.

Hidden Gems For You:

Stepping through a cobweb.
The satisfying wingbeat of an unfurling umbrella.
The shadow of a crow on winter dunes.

Continue Watching:

A toad crouching by a running brook in moonlight.
A wild horse standing under an olive tree, waiting out the
morning rain.
Your goldfish's black eyes.

Trending Now:

Back pain and insurance bills.
The subtle barometric shift felt in your sinuses.
The neighborhood kids' football thrashing the power lines and
strobing your lights.
